INDEX

The names of contributors and of those whose portraits appear are printed in CAPITALS; subjects are printed in ordinary type; and titles of books reviewed are given within quotation marks. Because the portraits do not carry page numbers, their position in the volume is indicated by giving the month, in *italics*, in which they appear.

Aid for Education, Federal, 41.
ALEXANDER, CARTER.—Superintendent Cary's work in Wisconsin, 16.
American Literature as a Subject for Graduate Study, 7.
Americans as Linguists, 286.
